OR DIAL "O" (Operator) in any emergency and tell the operator the exact location where help is needed.

Abusive Calling: Under Federal law, any person who uses a telephone, or knowingly permits another to use his telephone, for making abusive, obscene or harassing calls within the District of Columbia or across state lines commits a crime which is punishable by $500 fine, six months in prison, or both.

The Telephone Company is anxious to help stop abusive calls; full cooperation and technical assistance will be given to legal authorities in enforcing the law.

GENERAL INFORMATION

c

a

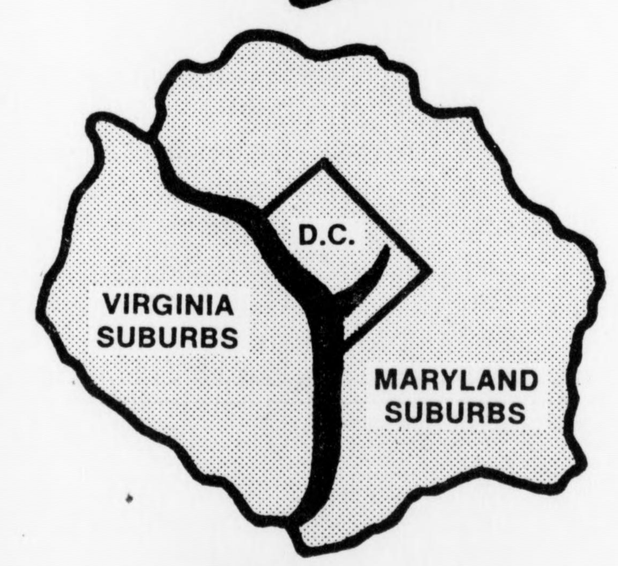
local calls

the four types of service for Washington, D.C. residents

DISTRICT OF COLUMBIA SERVICE *Provides unlimited calling within the District of Columbia.*

With this service you get a private line which allows you to call to any of the nearly 977,000 telephones in the District of Columbia. You can make as many calls as you want and talk as long as you wish. ¢For a detailed list of the telephone exchanges to which you can make unlimited calls, see page 4.

Telephone calls to the Virginia and Maryland suburbs cost an additional 5¢ each.

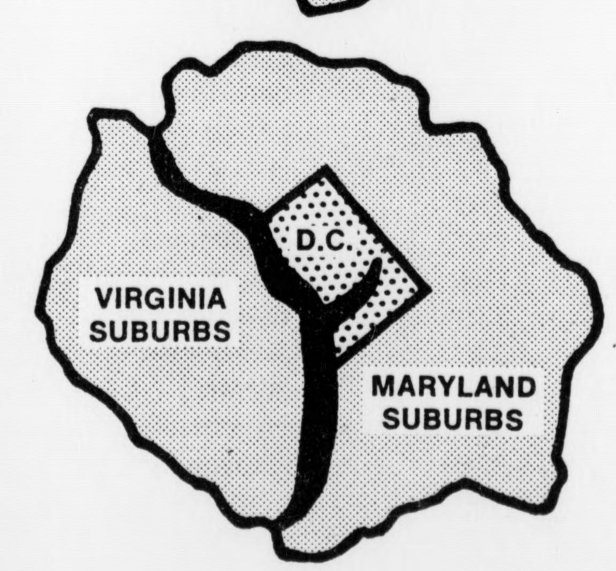


MONTHLY RATE:*	With Touch-Tone® calling	$ 7.60
	Without Touch-Tone® calling	$ 5.60

METROPOLITAN AREA SERVICE *Provides unlimited calling in the District of Columbia and the Virginia and Maryland suburbs.*

With this service you get a private line which allows you to call to any of the nearly 2½ million telephones in the District of Columbia and the Virginia and Maryland suburbs. You can make as many calls as you want and talk as long as you wish. ¢For a detailed list of the telephone exchanges to which you can make unlimited calls, see pages 4 and 5.

MONTHLY RATE:*	With Touch-Tone® calling	$10.85
	Without Touch-Tone® calling	$ 8.85



MEASURED AREA-WIDE SERVICE *Provides first 60 calls made within the District of Columbia and the Virginia and Maryland suburbs.*

With this service, you get a private line which permits you to make 60 calls without additional charge to any of the nearly 2½ million telephones in the District of Columbia and the Virginia and Maryland suburbs. You can talk as long as you wish. ¢

All calls over the first 60 cost an additional 5¢ each.

MONTHLY RATE:*	With Touch-Tone® calling	$ 7.60
	Without Touch-Tone® calling	$ 5.60

ECONOMY SERVICE *Provides unlimited incoming calls from the District of Columbia and the Virginia and Maryland suburbs.*

With this service—designed for customers who make few calls—you get a private line which allows you to receive unlimited calls from the nearly 2½ million telephones in the District of Columbia and the Virginia and Maryland suburbs.

Outgoing calls that are made to telephones in the District of Columbia and Virginia and Maryland suburbs cost an additional 5¢ each. On these calls, you can talk as long as you wish. ¢Touch-Tone® dialing is not available with this service.

MONTHLY RATE:*	Without Touch-Tone® calling	$ 3.95

* Rates shown in effect July, 1974 - tax and surcharge not included.

¢ Special charges apply to calls to Mobile Telephones.

† Served by First Colony Telephone Company

long distance calls

direct distance dialing

With DIRECT DISTANCE DIALING, you can dial station-to-station calls from your telephone to telephones which have seven digit numbers or two letters and five digit numbers, (in addition to area codes).

Station-to-station calls from District of Columbia telephones are made by dialing the area code plus the distant telephone number.

Examples: Call to Detroit, Michigan-dial 313 + 7 digit called number.
Call to Hagerstown, Maryland-dial 301 + 7 digit called number.

Rates are lowest when you dial station-to-station yourself.

operator assisted calls

OPERATOR-ASSISTED calls from District of Columbia telephones are made by dialing "O" (Operator) and then *continuing* to dial the area code and distant telephone number. Depending on the type of call, when the operator answers simply say:

Person Call: The name of the person you are calling.
Collect Call: "Collect" and give the operator your name.
Credit Card Call: "My credit card number is——."
Bill-to-Third Number: Give operator Third Billing Number.

area code for Washington, D.C. is 202

to obtain the distant area code

See map on page 8, or cities listed on page 9. If desired place is not shown, dial "O" (Operator).

to reach long distance directory assistance

- Dial the area code for the place you want plus 555-1212.
- Tell the Operator the city or town, then the listing for the number you want.
- There is no charge for directory assistance calls.

to reach national inward WATS directory assistance

- Wide Area Telecommunications Service—Dial 800 555-1212 to obtain numbers of those customers who offer incoming Long Distance calls without charge to persons calling from specific locations.

if you reach a wrong number

- Dial "O" (Operator) immediately and explain what happened. The operator will make sure you aren't charged for the call.

you will not be charged

- If you hang up before you dial the complete number.
- If the telephone number you dial is busy or does not answer.

if you need assistance

- Dial "O" (Operator).
  The operator will be glad to help you.

two ways to save on long distance calls:

1 dial the call yourself

The customer dialed station-to-station rate is always the most economical regardless of the day of the week or time of day the call is placed.
Operator assisted rates (station-to-station, coin telephone, credit card, collect, charge to the third number) are higher, and person-to-person calls are the highest of all.

2 call when the rates are the lowest

Long distance rates vary by day of the week and time of day the call is placed.

rate periods for Customer Dialed Calls
LOWEST RATES
Station-to-Station to all points

	Sat.	Sun.	Mon. thru Fri.
8:00 AM To 5:00 PM	Weekend Rate	Weekend Rate	Day Rate

RATE PERIODS

DAY —
EVENING —LOW
WEEKEND —LOWER
} MINIMUM 3 MIN. INITIAL PERIOD CHARGE

NIGHT —LOWEST— MINIMUM 1 MIN. INITIAL PERIOD CHARGE

rate periods for Operator Assisted Calls
HIGHER RATES
Station-to-Station—Collect—Credit Card—Coin

	Sat.	Sun.	Mon. thru Fri.
8:00 AM To 5:00 PM	Evening Rate	Evening Rate	Day Rate
5:00 PM To 8:00 AM	Evening Rate	Evening Rate	Evening Rate

RATE PERIODS

DAY — MINIMUM 3 MIN. INITIAL PERIOD CHARGE

EVENING — MINIMUM 3 MIN. INITIAL PERIOD CHARGE

Person-to-Person—HIGHEST RATE—Minimum 3 minute initial period charge is same for all hours of every day.

Holidays—On New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day, evening rates apply from 8 AM to 11 PM, night rates apply from 11 PM to 8 AM. If the holiday occurs on Sat. or Sun., Sat. and Sun. rates apply.

Charges are based upon rates in effect at the time of connection at the calling point. This also includes calls beginning in one rate period and ending in another.

Above rate information is applicable only to calls within the continental United States, excluding Alaska.

For Alaska, Canada, Hawaii and Mexico—see overseas calls below.

types of calls

station-to-station
Call station-to-station if you wish to talk with anyone who answers. Rates are lower than person-to-person. Charging begins when the called telephone answers.

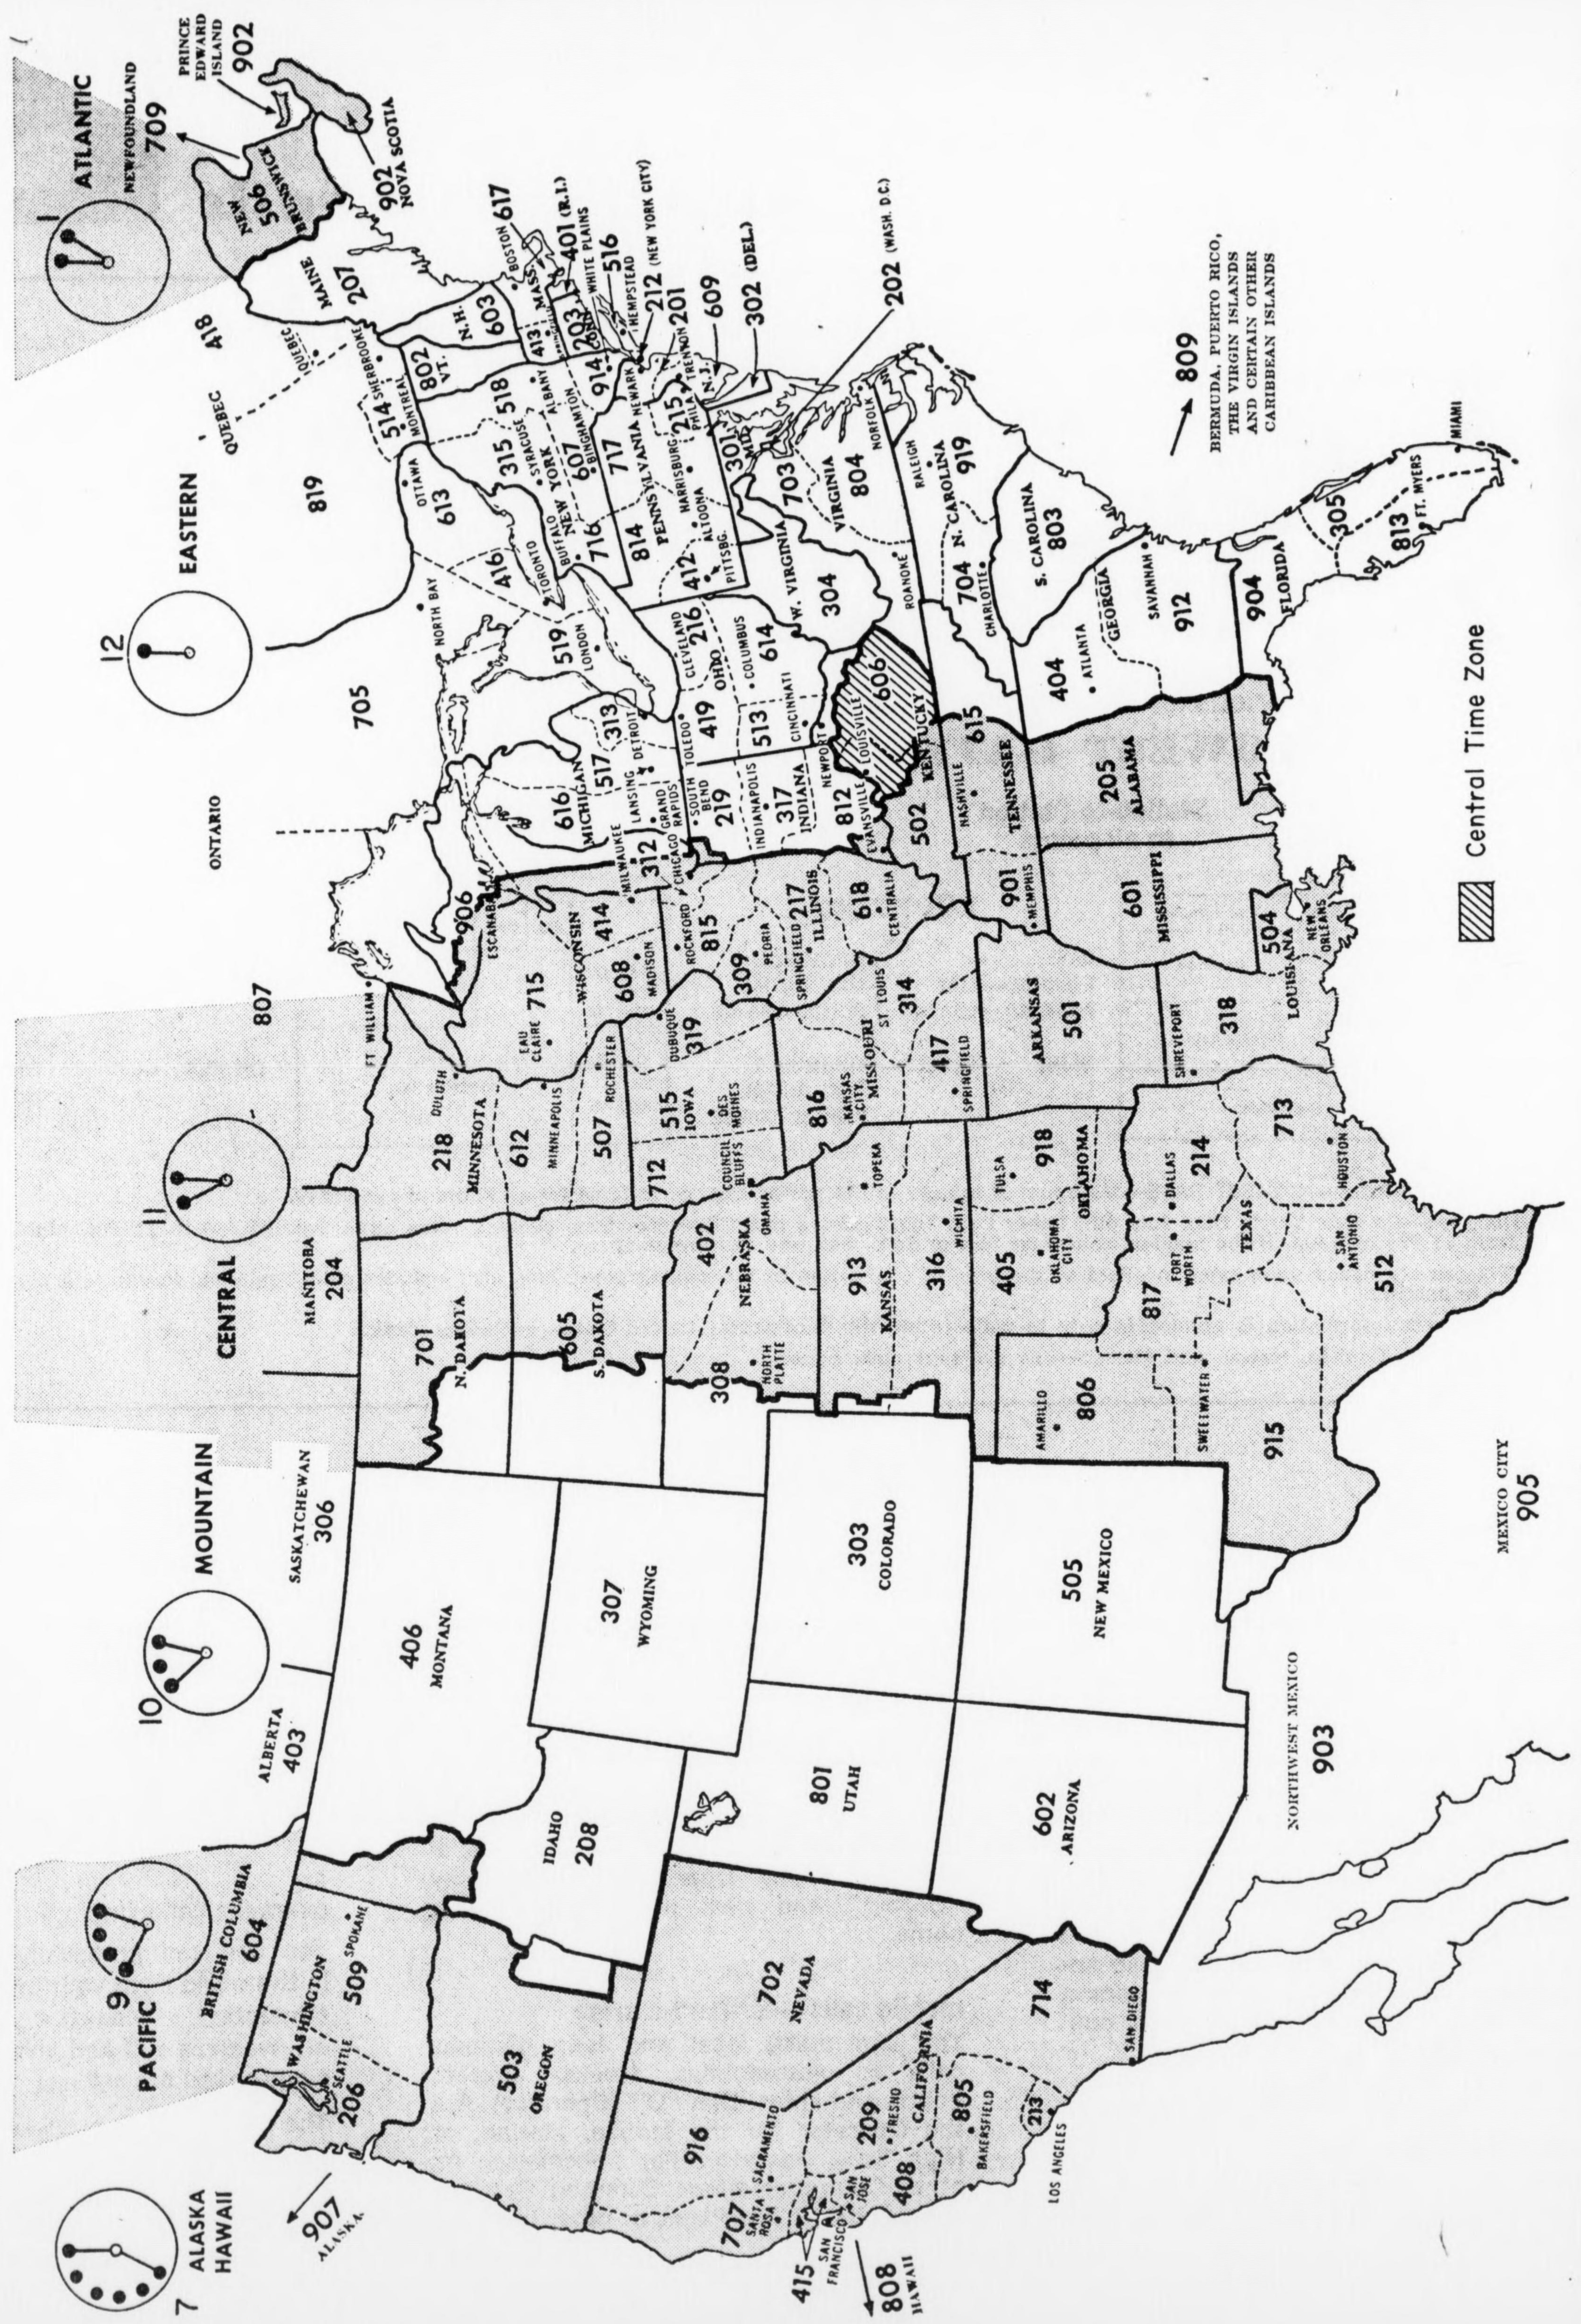
person-to-person
Call person-to-person when you wish to talk to a particular person or extension phone. Dial "O" (Operator) then continue to dial the Area Code and distant number. When the Operator answers, give the name of the person you are calling. Rates are higher than station-to-station and also apply when you talk to an alternate person or extension. Charging starts when conversation begins.

coin calls
From coin phones, see the instruction card on or near the phone, or dial "O" (Operator).

conference
You can talk with several people in different places at the same time. Dial "O" (Operator). Tell the Operator you wish to make a "conference" call.

collect
You can call "collect" if the person or firm you are calling agrees to pay the charge. If you want to make a "collect" call, dial "O" (Operator) + Area Code + number. When Operator answers say "Collect" and give the Operator your name.

mobile calls—air-land-marine
You can make local and long distance calls to automobiles, trucks, aircraft, boats, and ships. Dial "O" (Operator). Ask the Operator for the Mobile, Marine, or High Seas Operator. For information on other Communications Common Carriers, consult the Yellow Pages or other business guides.



wide area telecommunications service (inward WATS)
Station-to-station long distance calls may be made, without charge to you, to those customers who have wide area telecommunications service. They offer this service to their customers calling from specific locations. Dial Area Code "800" plus the special numbers of customers having this service.

overseas calls (including Alaska)
You can call practically every telephone in the world from your telephone. Dial "O" (Operator), advise that you wish to place an overseas call and give the name of the country you are calling.

The Operator can provide you with station-to-station and/or person-to-person rate information for the country you wish to call. Reduced rates apply to many points during night hours and/or Sundays.

area codes speed your long distance calls

The U.S. and Canada are divided into more than 120 telephone areas. Each area has a three figure area code. The area code of the telephone you are calling should be dialed or given to the operator.
[When placing call with operator, say, for example, "I want Area Code 312 555-2364."]—When you give someone your telephone number, include your area code if it is needed to return your call.—A list of selected area codes is on page 9.

general information

telephone bills—how & where to pay them.

Telephone bills are due upon presentation. When payment is made in person, the bill or punched card should always be presented.

If it's more convenient to pay by mail

A return envelope is included with each monthly bill for your convenience in mailing your payment. Should you misplace it, the mailing address is:

C & P TELEPHONE
P.O. BOX 2123
WASHINGTON, D.C. 20013

Please enclose payment card with your check or money order made payable to C & P Telephone. If your payment card has been mislaid, kindly enter your telephone number on the check or money order to identify the payment.

Your telephone bill may be paid at the following agencies, provided the bill or payment card is presented with the payment.

244 387 723 882

your manager is Mrs. M. K. HENDERSON

BUSINESS

Your manager for service of all business telephones is R. M. HUDSON

general information

your telephone number is important

When your telephone number is preceded by your area code, it is the only one like it in the United States or Canada. When leaving your telephone number for someone else to call you, be sure to include the area code if the caller will be calling from a different telephone area than your own. If you're a business person, it's smart to make it easy for your customers to reach you. Show your telephone number on your stationery, statements and all advertising pieces.

Show your area code too—it helps distant parties call you faster.

single payment plan

Normally, a monthly charge applies for equipment such as Princess® and Trimline® phones, tone ringers and volume control devices. If you prefer, a one time charge may be paid instead. Call your local Business Office for details if you are interested.

bell system credit card

For your convenience we offer an identification card so you can "charge" out-of-town calls when you are away from your home or office. Credit Card calls are accepted from any telephone. You may arrange for one by calling your Business Office.

employee identification cards

For your protection, every employee carries an official identification card showing his or her name, photograph and signature.

If you have the slightest doubt about persons who say they are from the Telephone Company, please ask to see their card.

annoying and anonymous calls—what you can do about them:

1. Don't talk to persons you're doubtful of. Don't give them the audience they want.
2. Hang up at the first obscene word, or if the caller doesn't say anything, or doesn't provide identification to your satisfaction.
3. Call your Bell Telephone Business Office if the annoyance persists. We have employees who are trained to assist and advise you and who can frequently help in identifying the origin of unwelcome and troublesome calls.

out-of-town directories

Directories of other cities may be obtained by our customers upon request. . . . Call your Business Office. Telephone directories of principal United States cities may be consulted at 725 13th St. N. W. or The Martin Luther King, Jr., Library at 901 G St., N. W.

telegrams by telephone

You may telephone telegrams, cablegrams or radiograms from your home or business phone to the Western Union Telegraph Company. See instructions shown under the listing of the company in this directory. The telegraph charges will appear on your telephone bill.

when you hear a "beep" tone

A short "beep" tone heard on your telephone line about every 15 seconds means that the person with whom you are talking is recording your conversation. This signal is provided by the Telephone Company for your protection. Use of a recorder without recorder-connector equipment containing a tone-warning device is contrary to the Company's tariffs and is not permitted. If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect the recording machine. When it is disconnected, you will no longer hear the "beep" tone.

employment opportunities

If you are looking for a good-paying job that offers you free training and opportunities to advance, work for C & P.

For your convenience C & P now has employment interviewers who will talk to you by phone. They are available Monday through Friday 9:00 a.m. to 4 p.m., to receive your call.
The number to call is: 347-7070.

tariffs

Tariffs which show rates, rules and regulations for telephone service and facilities, approved by the Regulatory Commission, are available for public inspection at your Business Office.

customer provided equipment

Customer provided equipment is any equipment not obtained from the Telephone Company. Equipment provided by a customer may be used with the Company's facilities if such use complies with the Company's tariffs. Customer provided equipment must comply with the technical criteria described in the Company's tariffs.

The tariffs are designed in the interest of good telephone service and to prevent hazards to customers and Company employees. **A customer's service is subject to termination, including but not limited to suspension or disconnection when customer provided equipment including wall jacks, plugs, etc., are used in violation of these tariffs.**

A maintenance visit charge applies per visit to a customer's premises where a service difficulty or trouble report is caused by customer provided equipment.

These regulations are binding on both the Company and the customer.

directory accuracy

Every effort is made to make the directory as accurate as possible. Please report to your Business Office any incorrect listings so that our records may be adjusted for the next issue and your service protected in the meantime.

comuniquese correctamente

Este folleto gratis contiene consejos de cómo usar mejor su teléfono. Ud. puede obtener este folleto llamando a su representante de habla española en la Compañía de Teléfonos al número 392-2059.
